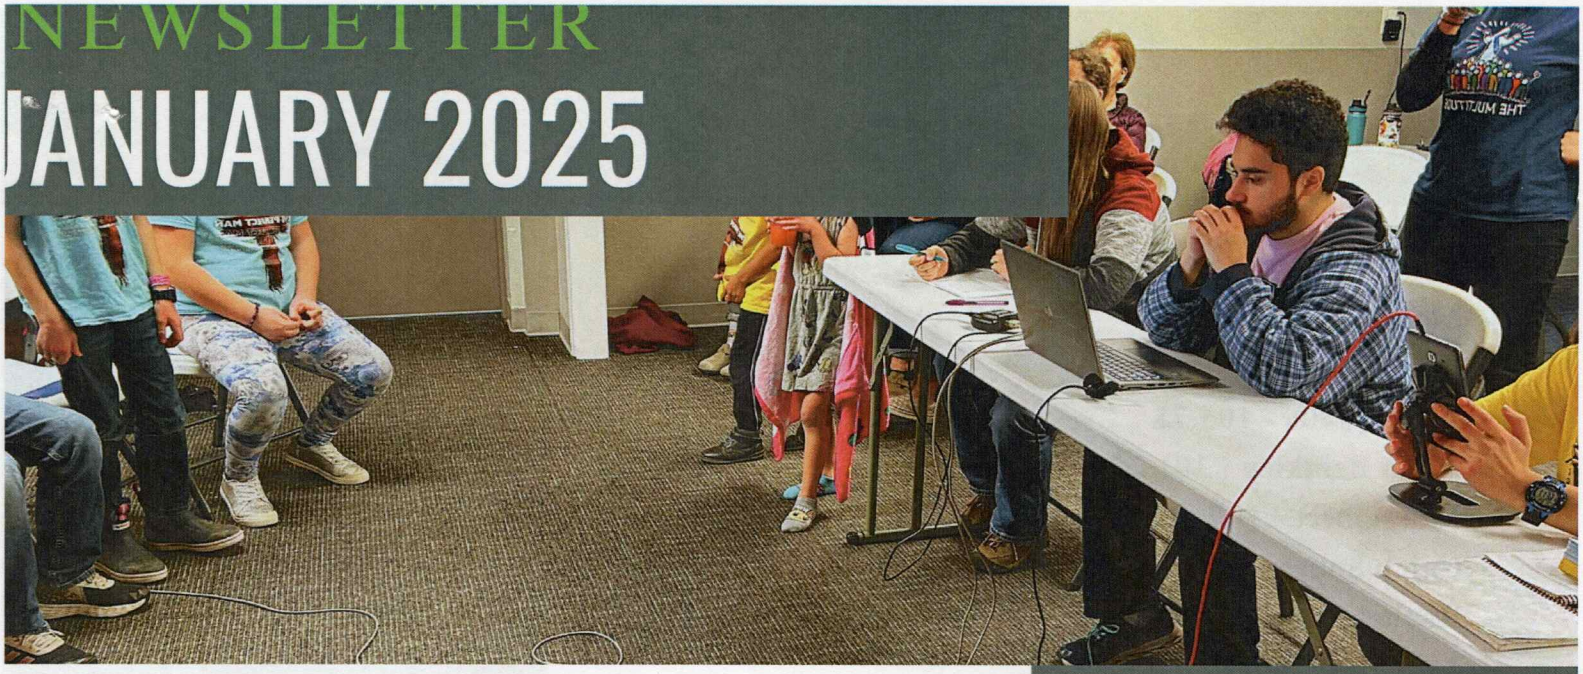
JANUARY 2025



The New Year has Arrived

2025 IS HERE!!!

With the new year comes new goals, new challenges and new opportunities. As I look at the past year, My mind races with the memories made both good and challenging. As I look at Quizzing in 2024 it makes me excited to see more truths these kids will discover in Luke. My hope for these kids as they face this new year they can challenge themselves in memorizing God's word. The hope is that it's not just one of those goals we start at the beginning of the year and then quit a month in. Will you pray for yourselves and our kids that we can have a love for God's word and will stay faithful in being in His Word this year.

Coach of the Month: CJ Lence

CJ Lence is one of our past quizzers that is now a coach. CJ quizzed for 6 years and is now in his 1st year of coaching "Da Boiz O Da Ring" this year. CJ has said that the material he has memorized as a quizzer has stuck with him and has been there to study and grow in God's word. He has realized his team is like he was as a quizzer and has loved the oppurtunity to work with them on skills and understanding God's word. He said this year he was really struck by Luke 4 where Jesus was tempted by satan in the wilderness. The thing that struck him about this passage was that each time Christ was tempted he used and qouted scripture to battle temptation. Talks to how we should view and use scripture.
